Shantala Massage

Ativando a barriga (com o uso do óleo)

Os movimentos nesta região facilitam o funcionamento dos intestinos e a eliminação dos gases, trazendo alívio para as cólicas. A direção da massagem é sempre do peito para baixo e, nos movimentos circulares, o sentido é horário, acompanhando o caminho natural das fezes e gases no intestino.

Para ativar a barriguinha do seu bebê, faça o seguinte:

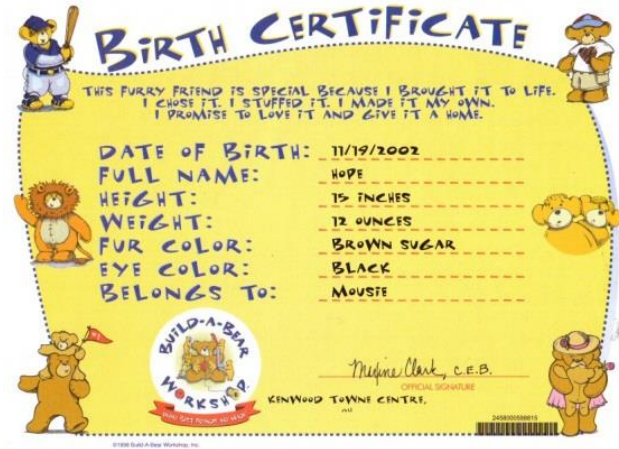

Coloque uma das mãos na base do peito do bebê e deslize-a até a parte inferior da barriga. Quando uma mão termina o trajeto, a outra recomeça, num movimento de ondas. 9

Segure os tornozelos do bebê e, com as pernas elevadas, repita o movimento anterior usando o seu antebraço. 10

Faça movimentos circulares, no sentido horário, com as suas mãos ao redor da barriga do bebê. 11

NOT A CROWD IN THE SKY.

**TWA's 747 AMBASSADOR CLASS* TO EUROPE.
MORE ROOM TO SIT. MORE ROOM TO WORK. MORE ROOM TO RELAX.**

If you're flying on business, TWA's Ambassador Class to Europe and the Middle East is a great way to go.

It's a business class in a class by itself—a separate, roomy cabin with just six seats across. So you'll never be caught in the middle.

And the seats are designed with your comfort in mind—bigger and wider, with more recline than coach. So there's more elbowroom to work, more legroom to stretch out and relax.

And in TWA's Ambassador Class, you get a lot more than a roomy cabin. In addition to complimentary cocktails, your meal includes an appetizer, a choice of three entrees (served on fine china) and a selection of international wines. And to top it off, you can sit back and relax with cognac or a liqueur.

You get special treatment on the ground, too. There's a separate check-in counter and Priority BaggageSM handling* And if you're a member of TWA's Ambassador Club, you can take it easy in our private lounge before you take off.

And with TWA's Frequent Flight BonusSM program, when you fly Ambassador Class now through the end of the year, you'll earn 125% of the actual miles you fly.

So take TWA's Ambassador Class to Europe and leave the crowds behind.

*Available on all worldwide flights.

TWA unseats the competition.

TWA's new 747 Ambassador Class to Europe. Wider seats and more legroom than any other airline.

TWA's new 747 Ambassador Class	Now there's a business class with only six seats across instead of nine or ten. With only window and aisle seats—no middle seats. And with seats a lot wider than the usual business class seats. TWA's new Ambassador Class to Europe. Today, several of our 747's have it; by June, all of them will.	Along with the extra comfort, you'll find a lot of extras. Like a special check-in area to speed you through the airport. Free drinks and appetizers, to relax you in the air. And more. TWA's new Ambassador Class. Compared to other business classes, there's no competition.
